## Viviana Perez

Viviana has always been a local of the city of Huntington Beach. She attended Huntington Beach High School and after graduating registered at Golden West College. At GWC she enrolled as a Criminal Justice major, although this was never in her plans growing up, she soon fell in love with learning about the legal and psychological aspects of crime.

During Viviana's two years at GWC she has earned four Associate's degrees and she also is a member of the Alpha Gamma Sigma Honor Society. As a first-generation Mexican-American student, there are challenges and hurdles she's had to overcome. Although navigating college hasn't always been easy, she attributes her academic success to the support that she has received from her family members. More specifically, her parents and brother who have been major contributors to getting her where she is now. Her overall goal is to use her experiences as a Mexican woman to drive change to racially diverse communities.

Her plans include attending UC Irvine School of Social Ecology where she will be double majoring in Criminology, Law, and Society and Psychological Science. After graduating with her Bachelor's degree, she plans to go to law school and obtain her Juris Doctorate degree to become a Criminal Defense Attorney.

Viviana is thankful for all the support she's received from Golden West College and the help they've provided her to get to the next stage in her education. She would also like to thank the professors that made her feel welcomed in the classroom and confident in her abilities as a student.

## Melody Mulligan Esq.

**Associate Attorney, Bremer Whyte Brown & O'Meara**

Melody Mulligan served the Associated Students of Golden West College, as Student Advocate during the 2014/2015 school year. She was elected Student Body President in 2016. She is a lifetime member of Alpha Gamma Sigma, Pi Sigma Alpha, and Blackstonians.

Ms. Mulligan received her Bachelor of Arts in Political Science from the University of Southern California in 2018. She received her Juris Doctorate from Southwestern Law School in 2021. Ms. Mulligan is currently an associate at the Newport Beach office of Bremer Whyte Brown & O'Meara, practicing General Civil Litigation.

A native of Southern California, Ms. Mulligan enjoys brunch on the beach with her outstanding children and grandson. She is currently awaiting her real estate license, and is looking forward to the exciting journey to come.

Interpreting services provided by GWC Disabled Students Programs & Services (DSPS)

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings. The more colorful modern academic costume, worn more for its symbolism than for any practical purpose, originated at Oxford and Cambridge universities in England in the 1300s, and has been continuously in use in the United States since colonial days.

The mortarboard cap represents no particular degree or school, except that the short, gold tassel is worn only by holders of the doctoral degree. The tassel may be worn on either side of the cap, or wherever the wind places it! The gown itself is usually black for all holders of baccalaureate or higher degrees. Bachelor's and master's degree styles differ little, but doctoral gowns are faced with velvet panels down the front and velvet bars on the bell-shaped sleeves. Only the hood itself shows by its length and colors the distinctions among degrees, academic majors, and colleges or universities which conferred the degrees. The higher the degree, the longer the hood and the wider the velvet facing which outlines the hood: bachelor's, master's, and doctor's hoods are three feet, three and one-half feet, and four feet long, respectively. In addition, the velvet trim is two, three, or five inches wide (narrowing only around the neck) in the same order of degrees. The color of the velvet facing denotes the academic area in which the degree was awarded, as listed below. The colors of the satin lining in the hood are the school colors of the institution where the degree was awarded (e.g., University of California colors are blue and gold, and the University of Southern California's, maroon and gold). Only the doctor's hood also includes panels with narrow satin piping.

Velvet "Field" colors, which symbolize academic areas of study, are as follows:

Arts, Letters and Humanities	White
Business	Drab
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts and Architecture	Brown
Journalism	Crimson
Law	Purple
Library Science	Lemon
Music	Pink
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Science	Golden Yellow
Speech	Silver Gray
Theology	Scarlet

**Golden West College tassel colors represent:**

- Green – AA Degree
- Gold – Certificate of Achievement
- Green and Gold – Receiving both an AA and Certificate

**Members of the following groups are represented with special stoles:**

- Alpha Gamma Sigma Honor Society
- EOPS Program
- Puente Program
